RECEIPT OF FREEDOM OF INFORMATION ACT REQUEST

Dear Mr. Pfeiffer :

This letter acknowledges the receipt of your Freedom of Information Act (FOIA) request, dated February 24, 2019 for a copy of the following:

“All messages, emails, memos, reports, and other records and communications relating to or created as a result of the following Freedom of Information Act Requests made by myself to the NNSA: FOIA 17-00132-k and FOIA 19-00054-EW. Responsive records should include, but not be limited to, emails and other communications between the FOIA officer(s) and contractors/personnel where the records were searched for; emails and other communications created by and between contractors/personnel at the site(s) where the records were located or searched for; and emails and other communications between FOIA officers about or in response to these requests.

You may restrict your search to records created between and including the dates of June 1, 2017 and February 26, 2019.”

Your request was received in this office on February 26, 2019.

It is the practice of the National Nuclear Security Administration, in accordance with Departmental policy, to process FOIA requests in the approximate order of the date received by this office. Your request is out for a search for responsive records. A number of requests received prior to yours are pending, and your request will be processed in turn. Please note that for fee purposes, “unusual circumstances” as defined in the Open Government Act of 2007 occur, as there is a need to search for or collect records from facilities geographically separated from this office. We will make every effort to respond to your request as quickly as possible. However, we estimate that we will not be able to provide a response in 20 working days, as we need more time to complete the search, review the record(s) for release, and prepare the response to you, as some requests, depending on the volume of records, the complexity of the search, and/or the sensitivity of the subject matter, require additional time to complete.

In your FOIA submission, you agreed to pay fees up to \$30.00 for processing your request, but also asked to be categorized under the “educational institution” fee status. We will process your request under the “educational” fee status and will notify you if the fees exceed \$30.00.

If you have questions concerning the processing of your request, please contact me by email Angelia.Bowman@nnsa.doe.gov, or write to the address above and reference Control Number FOIA 19-00114-AB.

You may also contact NNSA’s FOIA Public Liaison, John E. Weckerle, FOIA Officer, Office of the General Counsel, at 1-866-747-5994, or by mail at Department of Energy, National Nuclear Security Administration, Office of the General Counsel, PO Box 5400, Albuquerque, NM 87185 for further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA Mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20704, e-mail at ogis@nara.gov; telephone at (202) 741-5770; toll free at 1-877-684-6448; or facsimile at (202) 741-5769.
